Dear Teacher,

Our goal is to prepare your students for their visit to the Santa Barbara Museum of Art and to show them that learning how to look and talk about art is an exciting and fun way to develop their oral and thinking skills. Your feedback is critical to the success of our program. We would be very grateful if you would help us by answering these few questions about the classroom presentation.

1. Was the content appropriate to your curriculum?
2. Was the vocabulary grade and age appropriate?
3. Did it hold the students attention? Was it visually stimulating? Thought provoking?
4. Did it build the students anticipation for their visit to the museum?
5. Do you have any suggestions for how we can improve the quality, effectiveness and relevance of the classroom presentation?

Thank you! Your comments will help us provide the best services possible. **Please return this to the Docent Council by folding and affixing a stamp to the back, by faxing it to 805.966.6840 or by emailing it to rkrieps@sbma.net.**
